

## **MOHAMED OLEMY Hassan Allam**

SENIOR ARCHITECT **TCG** Dubai branch

### **SUMMARY**

A team player with excellent communication skills and academic qualifications, who has recently graduated with a degree in Architecture Engineering and Architecture.

Possessing a proven ability to ensure projected architectural designs are functional, safe and economical and meet the needs of the client. Excellent communication skills to keep in touch with clients to ensure that the project designs match their needs.

Easy going by nature and able to get along with both work colleagues and senior managers.

### **OBJECTIVE**

feel that my three greatest strengths are firstly my ability to have a clear understanding of the needs of client. Secondly the satisfaction I get from being involved in a building project. Finally my passion for being involved in creating buildings that could last for decades and knowing that they will make a positive impact on peoples lives and the environment .
